Please speak to mark for more info

Mark will provide everyone with a show diary / spreadsheet in the Febuary or march meeting , these will need to be copleted ASAP and returned quickly as possible , to get your name on the first few shows .

In the next few meetings Ian will be asking you all to check your currently held details on our database , to bring them up to date ready for the new show season etc .

The reopening of the Ford showroom in Gloucester is currently running a little be-

hind , but as soon as we know the launch dates the we will let all you interested members know as soon as possible .

Currently we are still owed a sum of money from one or two members who attended some of the shows in 2016 and have yet to pay even after repeated requests ... invoices will be sent out to

those members still to pay , and may list interest added , dont forget ... it is all of our moneys in the club , so to miss a few non payers , it hits us all !!!!!

A QR code will be printed on each newsletter to make life easy for you to view the web site on your mobile device .

RS Combe 2017

SAT 1st JULY is the date to remember

We are now planning the 2017 event , the entry prices will remain the same as in the past few years .

The revamped website is now LIVE and taking online bookings , john and ian both went late December for a few hours web site training one cold frosty day down into deepest Wiltshire , we are now running the latest website software Which will allow us to update the info on the website ourselves (wow .. There is a lot of stuff on there to learn !!!)

Have a look at the website , and look and read the parade lap page as you may wish to take part in that bit if your cars falls into one of the marks taking place this year But be quick as spaces are limited .

Web site

Our web site is currently is showing all the important details of events coming up , it is your 1st call to visit if you need to look at any dates or events we are attending in the future .

Simon , Mark , and Ian will be updating it as regularly as possible so it should be up to date .

Exciting times lay ahead as we would like to get this site up front of every thing with interesting content for everyone , so we are looking for feed back and content from every member no matter if it is a small amount or large ... but please your input is needed .

This includes any photos you have of the club display and the vehicles on it as these can be inserted into the galleys page of the web site , showing what happens at some of the shows

Show Photos etc ... Urgent request

If you have taken any photographs etc of any of the shows we attend during the year or that of RS Combe please send them to **rsochriston@hotmail.com** or hand them to any of the local group committee members as we would like lots of them if poss to use in future adverts etc etc and on the RS Combe event web site .together with the new look Bristol group web site

Ford Fiesta ST-2 3dr

Why it's a winner

With impressive performance, practicality and keen PCP deals on offer, the Fiesta ST-2 strikes the perfect balance between sensibility and driving fun, and it's sharper than the pricier M140i. The ST-2 is simply the best all-round hot hatch.
