

Welcome to the JANUARY Meeting

Happy New Year to you all and we hope you have all had great Christmas.

This Evening

Tonight's meeting we have planned a Bring and Buy sale , so any items from your garage etc you would like to sell then this is the time to bring down and sell them to your fellow club members , and we will also bring you the popular raffle .

Last Month Meeting

Last months meeting was a busy evening , as we had the FREE Christmas buffet (thank you to both Si and Nat for sorting this out) it did look good and very soon mostly all disappeared , we also presented the 2017 show season trophies to all the winners from the many we attended Well done to all the winners , it was brilliant to see lots of you , and we also ran the super Christmas raffle (thanks Steve for sorting that out) .

Next Months Meeting

The FEBRUARY meeting is on Wednesday 21st , in which we hope to run the local group AGM , as required by the national club , this is your time to have your say and you are also able to be voted on to the local group committee if you would like to take on a bigger part of your local group (your request needs to be received by Ian seven days before this club meeting if you are interested,

this can be by email) as well as the popular raffle .

Events and Shows

The 2018 show season is just around the corner now that we are in 2018 .

During the past few months Ian has been rattling on about the preferred method of booking some of this years shows , in that , you booked and requested your own passes etc, via the event websites using a booking code . However , after some discussions , it has become clear that a few members seem to be unhappy in the thoughts of trying to arrange there own passes etc To that end , we have decided to ' PARK' that idea for now , and go back to the method we have used for years good news for most of you and it is back to a few of us to start the process of sticking and licking prior to the next year ensuring that you get your passes etc in time , of course relying on Royal mail to get it right for us all ..

On the back pages of this months newsletter you should find the 2018 show calendar detailing all the shows confirmed and listing all the shows we are attending again this year , the reason for issuing it this early is ... that we are very quickly hitting the ticket deadlines for a few shows So we need you completed forms back ASAP , and this evening would be great please .

A big thank you to everyone who took the time out on a winter Sunday to join up with your fellow members at olies Cafe for the breakfast meeting a few weeks before Christmas .

Our local group web site is slowly coming together , but please bear with us as we now put the whole thing together as the site is been started from scratch the site will be updated very regularly by one of us to give you all the latest info.
