

Welcome to the JUNE Meeting

This Evening

Tonight's meeting we are planning to be outside if the weather is fine and dry , we plan a free BBQ , but Si can not manage to get the stuff and the request on Facebook did not bring any brilliant volateurs , so we will hopefully bring you the treasure hunt with a few great prizes , we will also bring you the popular raffle .

Due to a few of the big popular shows needing to be booked and paid for we will be requesting payment from you this evening , so credit cards ready or cash in hand ready for Darren to sort this bit out .

Show reports as follows

Just a little word about highnam.

The day started with us all meeting at 8ish at Gloucester McDonald's to convoy to Highnam court(slowly for a change). When we got there the ground was a bit mudddy due to all the rain we had running up to the day, & a charge for passengers(I had picked A extra one at the services). The day stayed dry with the usual entertainment for all the family with a good selection of Vintage, Classic& new cars. Looking forward to next years show.

Thank you

Show report Cornwall.

Well what a blisterinly hot day! A great show with some amazing cars. A great turn out as usual for this very southerly car show. Amazing Concours cars and a mix of other non RS car clubs as well. If you have not been before it's worth the long drive. Managed to cool off in the pool and have an afternoon swim. Some

even ventured to the beach. Chap selling hot wheels as well. My weekend could not get better. Dave got car of the show. Not sure how but everyone in the Cornwall group said how much they en-

joyed their ice cream. Nice one Dave!

Car of the day went to Dave, second Jay and third Colin. My ever aging RS2000 didn't place even after I cleaned it twice!

Still car did me proud and drove faultless all weekend...think the brakes need looking at tho. Now where is Dave when you need him!
