BRISTOL GROUP NEWSLETTER

JUNE 2021

Welcome to the JUNE gathering

Tonight is the third meeting/gathering this year since last September and October 2020.

It was brilliant to see most of you last month , as it was mostly an outside event

Due to the covid restrictions we are not allowed to stand up inside **ONLY TO GO TO THE LOO AND DRINKS WILL BE SERVED AT THE TABLE .**

RS Combe 2021 entry passes will be available this evening , ONE person at a time only please , and PUREFORD entry passes will be issued this evening for those who requested and paid for them .

FACE MASTS must be worn inside at ALL TIMES (apart from when drinking)

Currently there are a fair few shows mapped out to which we are planning to attend , these are listed on our website and also on our Facebook page .

This year we are asking you to book some of your own show requirements via the events dedicated websites , we have now provided you with the simple booking codes to enable you to do this as required as shown on the back of this newsletter , these will NOT be published or allowed to be shared on social media platforms in any form .

Castle combe action days will be booked for you , however payment is required as soon as these have been paid , Summer action day is currently not been

attended by us this year , due to the restrictions in numbers attending and that we all where slow of the mark to place any entry passes before combe closed the booking system as numbers had been reached a month before the deadline , we are on a reserve list , but we , with another 8 clubs failed to react to the situation and booking sooner .

In tonight's meeting we will be issuing out the Pureford action day entry passes (the 2nd show this year , so far) , you will be called up to collect these from Simon during the evening .

RS combe 2021 entry passes will be available in this evening for you to buy on request , bringing your payment cards with you , if you forget to bring your card then no entry passes will be issued to you .

Sorry this newsletter is short, sweet ,and not formatted as usual as time has again run away and this was planned at very short notice , also due the numbers of members attending is very unsure at present .

Thank you for coming along this evening to the smaller than usual gathering , as the meeting JULY should be much bigger and we look forward to seeing you then and we hope to run a full meeting inside , AND if possible a BBQ , keep an eye out on Facebook , for the latest updates .

KEEP SAFE and BE GOOD as we look forward to better times ahead
