### Last Month Meeting

Last months meeting we held our AGM . Mark B stood down from show coordinator , A Big thank you mark for your help and support during thje past few years you did in that position to sort and prepare everyone doing shows .

In the AGM we welcomed both Darren Port and Dave Pritchard and where voted in as joint show coordinators ... the hard work now begins in the lead up to a busy show season .

ask for a copy this evening,, these will need to be completed ASAP and returned quickly as possible , to get your name on the first few shows , which have now been booked and paid for to get the early bird specials .

In the next few meetings Ian will be asking you all to check your currently held details on our database , to bring them up to date ready for the new show season etc ..

From this month onwards we will be requesting and asking

you to pay for the shows you have put your names to , payment can be made by cash or card .

Currently we are still owed a

sum of money from one or two members who attended some of the shows in 2016 and have yet to pay even after repeated requests ... invoices have

been sent out to those members still to pay , with interest added , dont forget ... it is all of our moneys in the club , so to miss a few non payers , it hits us all !!!!!

## RS Combe 2017

SAT 1<sup>st</sup> JULY is the date to remember

We are now planning the 2017 event , the entry prices will remain the same as in the past few years .

The revamped website is now LIVE and taking online bookings , we are now running the latest website software .... Which will allow us to update the info on the website ourselves ( wow .. There is a lot of stuff on there to learn !!! )

The early bird specials brought in a small amount of money , less than we hoped for , but there we go , and it was early for a lot of people to consider what there plans are in July

Have a look at the website , and look and read the parade lap page as you may wish to take part in that bit if your cars falls into one of the marks taking place this year .... But be quick as spaces are limited .

## Web site

Our web site is currently is showing all the important details of events coming up , it is your 1st call to visit if you need to look at any dates or events we are attending in the future .

Simon , Mark , and Ian will be updating it as regularly as possible so it should be up to date . Exciting times lay ahead as we would like to get this site up front of every thing with interesting content for everyone , so we are looking for feed back and content from every member no matter if it is a small amount or large ... but please your input is needed .

This includes any photos you have of the club display and the vehicles on it as these can be inserted into the galleys page of the web site , showing what happens at some of the shows

A QR code will be printed on each newsletter to make life easy for you to view the web site on your mobile device .
