

Welcome to the MARCH 2019 Meeting

This Evening

Tonight's meeting we have nothing planned as such , but we will be talking about the shows coming up in the very near future , as we are issuing out all the entry passes you requested for the first show ... ie spring action day , and we will also bring you the popular raffle .

Last Month Meeting

Last months meeting was a busy evening , as it was our AGM , it was great to see so many of you and we also issued out the final draft of the show calender and we requested that they had to be completed asap of which most of you did , we also ran the every popular monthly raffle thank you Steve for sorting out that out .

Next Months Meeting

The APRIL meeting is on Wednesday 17th and we could be outside talking and looking at cars etc

Events and Shows

The 2019 show season is just around the corner ,as the first one is in just over a week away .

Please have a look at our group website as there is now a increasing list of dates appearing for any other shows etc planned , these will also be on our Facebook group page .

It is IMPORTANT that you complete the calender ASAP , if you have not completed one this year and hand it Darren , as we are

only able to capture your requirements this way , the main reason being that we need to book and pay for the shows early to get the lower entry prices before the deadlines end for that price .

Quick reminder ... rsoc national day We need YOU to complete that request yourself Please ask Ian for the event password before you attempt to order your passes etc.

It was great to see so many of you at the Moores breakfast meet a few weeks back , looking at the photos on our Facebook page everyone , must have had a good time , and the weather was dry for you all ... well done

Web Site

Our local group web site has just been updated to the latest software so it will now be easier to update all the info as required so please have a look at it as when you need to .

Watch this space and follow us on facebook where all the most up to date info will be loaded for everyone .

Currently we are struggling for content , so if you have any thing either pho-

tos or info on your cars etc then please, please may we have it to make our web site stand out from the crowds if poss .

Special cars, deserve special clients. It was an absolute pleasure to supply Jay and his family their new to them RS, the 12,000 mile, stunning MK2 replaces the family's previous RS. We look forward to seeing Jay and the family at various RS shows in the future, we know this RS will be cherished.
