Events and Shows

The 2017 show season is now in full swing and lots more to come , below are the show reports so far .

Pureford 13/05/2017
By Mike Vines

Our second visit of the year to Castle Combe, brought us to the all new show of Pure Ford.

The day started with light rain but that soon cleared away, to leave us with a dry and relatively sunny day.

As this was a new show, it was certainly quite compared with other Castle Combe shows. Yet again a great turn out by the club and a great mixture of different models of cars. Track action was a lot less manic due to the 'Ford Only' rule but was still great (especially the drifters)!

Hope the show returns next year!

Trophy winners.
