Ford News

For the next 3 years Ford will be the official vehicle supplier to the RNLI. Most visibly we'll be supporting their great work with the Ford Ranger, which will help lifeguards patrol beaches up and down the UK.

To date the RNLI have saved the lives of over 141,000 people in UK or Irish waters. Using the Ford Ranger, Transit Connect, Transit Custom, Transit, Fiesta, Focus, EcoSport and Kuga, we're going to help them save even more.

' We're absolutely thrilled that the RNLI have chosen the Ranger. It's a vehicle we're immensely proud of. And the fact the RNLI

believe it's well suited to their needs is an incredible testament to its all-round capability.'

Andy Barratt, Chairman and Managing Director of Ford Britain.

RS Combe 2019 / 2020

RS Combe 2019 has almost been put to bed in that , we had the post event meeting a few weeks back , final figures have not been finalized as yet , as a little bit more needs to be sorted first , however numbers paying to enter on the day was a lower than we thought , but considering the weather which was planed to be hot , it sure was hot , hot , we believe a few people where put off and also the date clashed with so many other events and attractions taking place on that weekend .

Now we are starting to plan RS Combe 2020 , our 25th year of running RS Combe at Castle

So we hope to bring a big day with lots to do and see , more info will be available soon

Show Photos

If you have taken any photographs of any of the shows we are attending this year , please send them in facebook if possible as we would like lots of them if poss to use in future adverts etc etc and on the RSOC bristol web site.

WE HOPE YOU HAVE ENJOYED THIS EVENINGS MEETING AND WE LOOK FORWARD TO SEEING YOU AGAIN ON WEDNESDAY 18th DECEMBER 2019 .
