BRISTOL GROUP NEWSLETTER SEPTEMBER 2021

Welcome to the SEPTEMBER meeting

Tonight is the sixth meeting/gathering this year since last September and October 2020. , We do not have any thing planned for this evening , however , we hope to arrange a BBQ event ... this is very weather dependant

It was brilliant to see some of you last month , as it was mostly an outside event

In the July meeting we we ran the smaller than usual annual show and shine , results will be reported this evening and the trophies issued in the December meeting .

Due to the covid restrictions now been lift somewhat we are now able to go inside the club house , this evening we are in the large hall , HOWEVER face masks are recommended to be worn , you can now be served at the bar , but not hang around there but sit at a table of any number ,

It was great to see a fair few members attending the RSOC national day and also the Castle Combe Forge Action day , at least the weather was dry for most of the days , and to see some the photos of the day was great ... for those of us who where unable to attend

Currently there are a couple of shows remaining , we are now only taking advance booking for the last Castle combe action of this year , which is the Hal-

loween day , if you wish to be part if the last show this year , please speak to Ian tonight as the final numbers will be booked on by Saturday 18th September THIS IS YOUR LAST Call .

From next January , YOU will be asked to pay and sort out your own show requirements , for the year , by booking via the booking codes provided to you in the January /February meetings , WE WILL NOT be doing any payment bit , only arranging the shows and obtaining the codes for you The list of shows will be supplied to you as usual with the booking codes then it is up too you !!!! Please be mind full the booking codes WILL NOT be disclosed over social media of any type .
